CITIES, TOWNS AND VILLAGES
IN CANADA

Final population figures of the 1941 Census are presented in this bulletin for all cities, towns and incorporated villages. Previous bulletins have been issued for each province separately, giving the final population by sex, for counties or census divisions, and also showing the population of cities, towns, villages, parishes, townships and other local subdivisions. (See Bulletin No. A-1 for each province). For convenience, the present bulletin brings together all cities, towns and incorporated villages in Canada, listed alphabetically by provinces. Comparative figures for the Census of 1931 are also given.

CITES, VILLES ET VILLAGES
